CRAFTON HIGH SCHOOL  
CRAFTON, PENNSYLVANIA

We are now writing "finis" to four memorable years at Crafton High. Let us quickly glance back at those years. In our freshman year we scuffed timidly through the packed halls. As sophomores after we "knew the ropes," we sauntered bravely down those same crowded corridors. In our junior year we displayed our pride of being upperclassmen as we mingled among the underclassmen in the still friendly passageways of CHS. Now, we are seniors; there is an air of confidence in our steps as we pass through the halls which we will soon call our "Alma Mater."

We will subsequently step onto the road of life. It is our fervent hope and prayer that we may travel on this road in a manner that will make Crafton High and all it stands for proud of us. We will all strive to reflect on society the fine training which we have received at Crafton High School.

As we see her . . .

To a woman whose warmth, friendliness and sincerity have brought her close to the hearts of everyone. Through her endless patience, dedication and boundless energy, she has inspired her students to present musical programs which have thrilled and entertained audiences for many years. In years to come, we will remember this woman who has given of herself to make our high school days more memorable.

To Miss Sigrid Gayvert, we the class of 1958 proudly dedicate this **GINKGO**.

## BOARD OF EDUCATION

Mr. William Wilson  
President

The members of the Board of Education led by Mr. Wilson their president, have skillfully executed the grave responsibilities entrusted to them by the community. They have spent many hours planning for the smooth functioning of our school system. They have been dedicated to their task of forwarding education. Their superb leadership has made this year a very successful one for the Crafton School system. Their superior qualities as outstanding men of the town have presented themselves in their ideas which are helping our school system to climb the ladder to the pinnacle of education. We owe these men our sincere gratitude.

**MR. PAUL L. MAXWELL**  
Superintendent of Crafton Public Schools

# ADMINISTRATION

Our administration through their tireless efforts demand our respect. The four schools in the district have been guided by the amiable yet efficient personality of Mr. Paul Maxwell. Crafton High School students know the able leadership and wise decisions of Mr. Gregory.

We also are indebted to the teachers for their friendly smiles and hard work.

We sincerely thank the administration for their devotion to us which has been a great source of pride.

## *Seniors Prepare To Conquer A New World Of Time And Space*

Now that our Senior Year is over, we look back on our wonderful four years at C.H.S. Most present in our memory are the moments, days, and weeks of our senior year. We think of the welling pride we felt as we exchanged pictures and name cards. Pomp, splendor, and gaiety fill our thoughts of football season and the "Starlite Stadium." Basketball season brings us happy memories of glory and victory. Excitement reigns in the memories as we look back on our loudly applauded class play, "Nothing But the Truth,"

the very successful Band Concert, and the highly praised Spring Choral Festival. Warm spring days swing our thoughts to graduation. Amidst class day's whirl of green and white, we recall a note of sadness as the melody of our class song followed us through the halls for the last time. We remember the graveness of baccalaureate and the austerity of commencement. As we donned our caps and gowns and walked solemnly across the field, we realized that it was now our turn to fulfill the aims of our school.

I'll take 200 of these

## *Juniors Explore The Wisdom Of The Past To Meet The Challenge Of The New World*

Now that we've passed the halfway point here at CHS, our feeling of awe and expectation has changed to one of pride. Our spirited cheerleaders and athletes led our cottages to success in the field. We really put ourselves as we showed off our class rings to the underclassmen. Our athletes shone as they led our basketball team to victory. Stars glowed

again as we skillfully presented our class play, "Rehearsal for Death." By industrious work on the magazine drive we earned funds for our enchanting prom "Over the Rainbow." With spring came baseball, tennis, and golf and with them the dreaded final tests. When these were over we knew that we were now at last esteemed seniors.

What's new?

Is it safe?

## *Sophomores Probe A New World Of Science And Of Art*

This year we filled our role of supporters and supporters we lorded it over the lowly freshmen. Our loyal, and our loyal cheering section loudly voiced their encouragement to our boys as they showed their best on the football field. The Ingram gang swelled our ranks as we took our first positions in the front row of the bleachers. We were proud and happy

as our class was represented on the victorious "B" squad and varsity basketball teams. Our theatrical abilities were proven as we put on "The Great Escape" and "The Great Escape". As we look back, we remember all the work and study from each of our classes; but we know we shall always remember the fun and good times of our sophomore year.

You mean people EAT these things!

The boys admire the football trophy.

## *Freshman Launch Their Quest For Knowledge In A New World*

Now that our hectic first year at C.H.S. is over, we take time to relax and look over the excitement and flurry of new sights and new friends. The gaiety of football season was maximized by the glitter and wonder of our first formal, "Starlite Stadium." Soon our chance came to prove our athletic ability as our basketball team swished through a successful season. Loyalty and faithfully we packed into all

our games and supported our sharp-shooters. We were proud of our cheerleaders who proved themselves worthy of their title. As our first year at C.H.S. drew to a close, we gained a feeling of importance and a loss of bewilderment as we finally felt ourselves part of the school. All in all, we have memories of a wonderful year and have hopes that our remaining three years will be as unforgettable.

## THE BAND

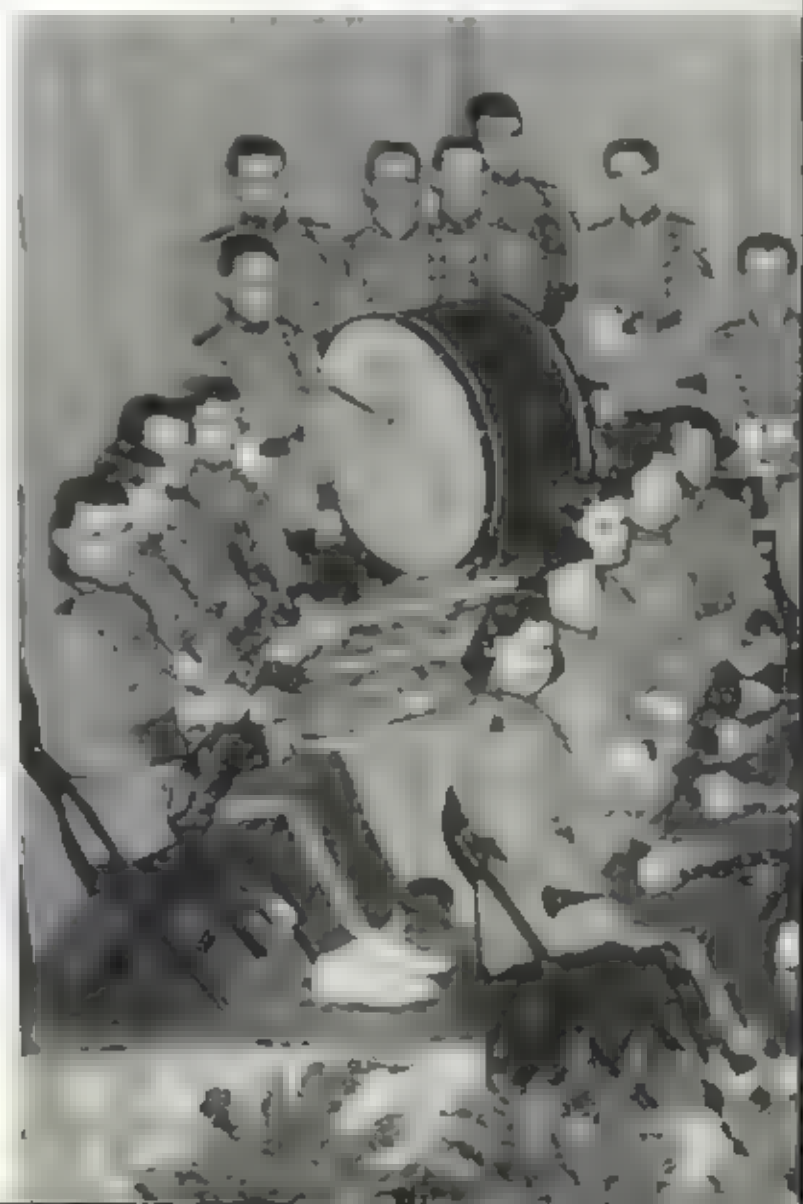

The band, under the able direction of Mr. John D. Smith, has had a busy and fruitful year. After many summer practices, on the steamship, led to a fine band and Majorettes and a great collection of uniforms at last.

The Band Concert, held February 27 and 28

was a complete success. Large audiences attended and were inspired by the exceptionally fine music. The money they raised was set aside to buy new uniforms. The Band members also sold light bulbs door-to-door to earn money for their project.

"Loyal and true-hearted . . ."

A new organization, The Parents Band Club, has been founded. It was organized through the interest of the parents of Band members. This year, their main project has been to help to earn money for the new uniforms. They got off to a good start with the making of candles which was sold the two nights of the Concert. They also sold hot dog sandwiches during Thursday lunch periods each week.

The Crafton High School Chorus under the splendid direction of Miss Sigrid Gayvert, has enjoyed another successful year.

The first Mixed Chorus program of the season was held November 11th, at the Hawthorne Church for a Woman's organization. The group then sang at our American Education Night, March 17.

The Christmas Choral Program was given in our auditorium December 20 and 21. The beautiful secular anthems thrilled a full house each night.

The highlight of the chorus season was the Choral Festival, "The Sun Folad." It was a musical tribute to Crafton, telling of the long history of our town. The story dated as far back as the Indians, and traveled on through to present day, describing the people and events that helped to make Crafton the wonderful town it is today.

The Seniors blended their voices with the Chorus the last time at Commencement, June 2.

On the evenings of April 17 and 18 tremendous applause bounded forth from the CHS auditorium. And so ended the many long weeks of practice for the Junior class as their annual play, "Rehearsal For Death", was given. This droll three-act mystery comedy was made possible only by continued labors of Mr. Perz's experienced guiding hand and his illustrious Director's Committee. Their efforts were not in vain for all those who attended the play pronounced it a veracious success. The stage crew contributed, as usual, their own share to the stage tasks. The cast is

## STUDENT COUNCIL

The Student Council speaks for the student body. This year's council carried out many projects. The Football Dance, called "The Starlight Stadium," was a huge success. A new idea was introduced at Christmas time this year. Each homeroom held a party in honor of an orphan child sent from St. Paul's Orphanage. Dave Secor and Judy Herman were our representatives at the Western Pennsylvania Association of Student Council's convention. Mr. Kmetz is the able director.

The main objectives are to promote good citizenship, school spirit, and to practice democracy in self-government.

#### COACHES.

Mr. Derrickson, Mr. Kmetz, and Mr. Mellett

The 1957 season marked the debut of head coach Paul Derrickson. His first team fought hard but the injury jinx took its toll. One by one the regulars were hit by injuries. Many times Coach Derrickson was forced to go with a patched-up lineup. As a result, the team at times was hopelessly out-classed. With many experienced juniors returning, the outlook for next year is bright.

Although defeated, in their opener, by Jeannette, the Cougars showed great promise of perhaps a good team. A week later, looking just the opposite, they tied West Allegheny in a very listless game. However, the season wasn't a total loss as the team came back to crush their hot rival Langley before dropping the rest of their games. With many players out, the Cougars were defeated by Dormont, Stowe, a fast Quaker Valley team, McKees Rocks, Carnegie and Coraopolis.

# BASKETBALL

The fast-breaking Crafton High Hoopsters under the first year tutelage of Coach Paul Kmetz were able to compile a 15-4 record. They started out slowly but seemed to get better with each game. The reason was that the team was composed mostly of juniors playing their first season of varsity ball.

The Cougars, looking very saggyish, opened the exhibition schedule barely squeezing past West Allegany. From the looks of this game the Crafton fans felt they were in for a long, hard season. However, as the exhibition games rolled on, the team began to show some improvement and by the time the regular season started, the Cougars were looking like a sound job.

Opening the battle for the section title at Baldwin Crafton seemed to forget everything they knew as they were soundly beaten on the opponents home floor. After a thrilling victory over Bethel, the Cougars again found themselves on the short end of the score losing a close one to Scott Township. In a return engagement with Baldwin the Cougars pulled off an exciting overtime win. Crafton went on to sweep their remaining games but the damage had already been done. The final standings showed Crafton in second place, only one game off the pace.

In a post-season tournament with the seniors ineligible, Crafton lost the title game to Stowe on the latter's home floor.

### "B" SQUAD

This year's junior varsity turned in another winning record of 9 wins and 7 losses. This year's team, made up mostly of juniors, will be able to bolster next year's varsity. The starting lineup usually consisted of all juniors except Dave Henderson, who is the lone sophomore on the starting five. The other four were Bob Frederick, John Spidel, Rick Wall, and Gary Shanholz, all juniors.

### FRESHMEN

Under Mr. Derrickson the freshmen ended the season with a fine 11-3 record and also second place in the section standing. The starting five usually were Tom Loney, Jim McLean, Jim Evans, Tex Marshall and Bill Gurney.

First Row: Left to right: J. Glaser, B. Eckenrode, F. D. Bella, Mr. McKeivitt

Second Row: C. Hill, A. Reiff, R. Glaser, B. Saints

### TENNIS

Tennis is a comparatively new sport at Crafton. Since Crafton courts are obsolete; the team was forced to play on local courts. This marked only the second season of varsity competition for Mr. McKeivitt's team. Saints, R. Glaser, Hill and DiBella were the ones doing the most playing.

First Row: Left to right: R. Dunn, W. Hammet, Mr. Gregory

Second Row: T. Johnson, R. Kincheloe

### GOLF

Golf is another new sport at Crafton. It was started last year and is coached by Mr. Gregory. The golf team used the Charters Country Club fairways for its home matches. The nucleus of this year's team was formed by Fredrick and Kincheloe holdovers from last year.

### BASEBALL

Coach Derrickson, was able to field an experienced team this year with veterans at many positions. The infield was handled by Lwing, Oldaker, D. Breen, and Pope. The outfield was composed of Pool, Zivie, and J. Moise. M. Breen and Secor gave the Coaches a very capable battery.

First Row: Left to right: R. Dunn, P. Ewing, J. Zivie, J. Hanley, J. Moise, D. Breen, D. Secor, D. Bott

Second Row: E. Hammer, Mr. Derrickson, M. Breen, M. Schudebette, R. Metz, B. Pope, T. Pool, R. Kaminski, R. Oldaker

Autographs, please?  
 Don't strain yourself, John  
 Look out below!

I was just an innocent girl . . .  
 What's that?

Is it good?  
 Swish!  
 Give me a bite.
